KIMPORT

Milyen beszállítók termékeit tartalmazza a Kimport katalógus?

500+ válogatott kínai gyártó termékeiből összeállított termékkatalógus. A beszállítók nem az aktív vagy korábbi ügyfeleink beszállítói, hanem a következő nagyvállalatok (aktív vagy korábbi) beszállítói (kékre kattintva a forrás): LIDL (DE), ALDI (DE), KMART (AU), JOHN LEWIS (UK)
A forrásokon összesen közel 3000 kínai gyártó cégnevét találjuk. Ezen cégek hátterét leelenőriztük (így), és az 1000 általunk legjobbnak (legkisebb kockázat) ítélt vállalattal felvettük a kapcsolatot. Ezek közül 513 volt nyitott az együttműködésre. Ezen válogatott beszállítók termékeit tartalmazza ez és a többi Kimport katalógus.

Ár? MOQ? Gyártási idő? CE?

A termékek az esetek 99%-ában nincsenek készleten! A gyártási idő beszállítónként és termékcsoportonként változik! A rendelhető minimum mennyiségek beszállítónként és termékcsportonként eltérőek, az árak pedig a gyártási kapacitás, alapanyag árak és árfolyam (USD/RMB) ingadozása miatt változnak, ezért minden esetben egyedi ajánlatot kell kérni! A termékek nagy részéhez van érvényes CE certifikát, de nem minden esetben, viszont megfelelnek a CE sztenderdeknek. Egyes esetekben elképzelhető, hogy külön kell CE-t csináltatni!

Szállítás?

Korlátlan mennyiségű beszállítótól (minden oldalon bal alul található az adott beszállító kódja) lehet rendelni és konszolidáljuk a rendelést úgy, hogy egy (vagy minél kevesebb) rendelésként lehessen kezelni az importfolyamat során. Segíti az ügymenetet, amennyiben egy beszállítótól minél több terméket választunk, és összesen minél kevesebb különböző beszállítótól vásárolunk. Shenzhen, Ningbo, Qingdao, Jinhua és Xi'an városokban is rendelkezünk olyan raktárral ahol az áruk konszolidációját és feladását, igény szerint további címkézési műveleteket végre tudunk hajtani.

Mennyibe kerül ez?

Díjunk az SKU-k száma, áruérték és a kiválasztott beszállítók mennyiségétől függ, jellemzően az áruérték 3-6%-a.

Vámkezelésben, betarifálásban, előzetes szállítási díj kalkulációban is állunk rendelkezésükre, tehát segítünk megállapítani az egy termékre eső megközelítő beszerzési árat (a szállítási díjak előzetesen nem határozhatóak meg 100% pontossággal).

Árajánlatkéréshez kérjük megadni a beszállító kódját és amennyiben van a termékkép mellett termékkód, úgy azt is megjelölni!

PRODUCT INFORMATION

Protect all of your household floors and surfaces from scratches and marring from everyday use and movement with these reusable SuperSliders Furniture Round Felt Pads for hard surfaces. Not only will these round felt pads for furniture protect your beautiful floors from damage, they'll help reduce noise and friction from everyday use. You'll never have to listen to annoying scraping of a chair against a hard surface ever again!
These long-lasting, heavy-duty furniture round felt pads are super durable with a self-stick adhesive for easy application and lasting protection. These pads can be used on tables, cedar chests, chairs, curio cabinets, desks and much more.

PRODUCT INFORMATION

Made of soft silicone material, durable and flexible. Not easy to deform and won't damage the chair legs. Reduce noise effectively and protect the floor from scratches.
Easy to install. No need to stick, simple to wrap and not easy to fall off. You can put on it and take off it repeatedly.
Good choice for protecting your furniture and floor. Can be applied to many kinds of chair legs, including metal chair legs and wood chair legs. Suitable for hardwood floor, vinyl floor, tile floor and laminate floor, etc.
Warm notice:
Please check size before purchase, the chair leg protectors fit chair legs with a diameter of 7/8 inch diameter or smaller chair legs.

CORDED CHAIN ZEBRA BLINDS

The double layers of fabric can adjust the light and it does not occupy a big space.
It combines the advantages of cloth blind and gauze blind.

ZEBRA BLINDS

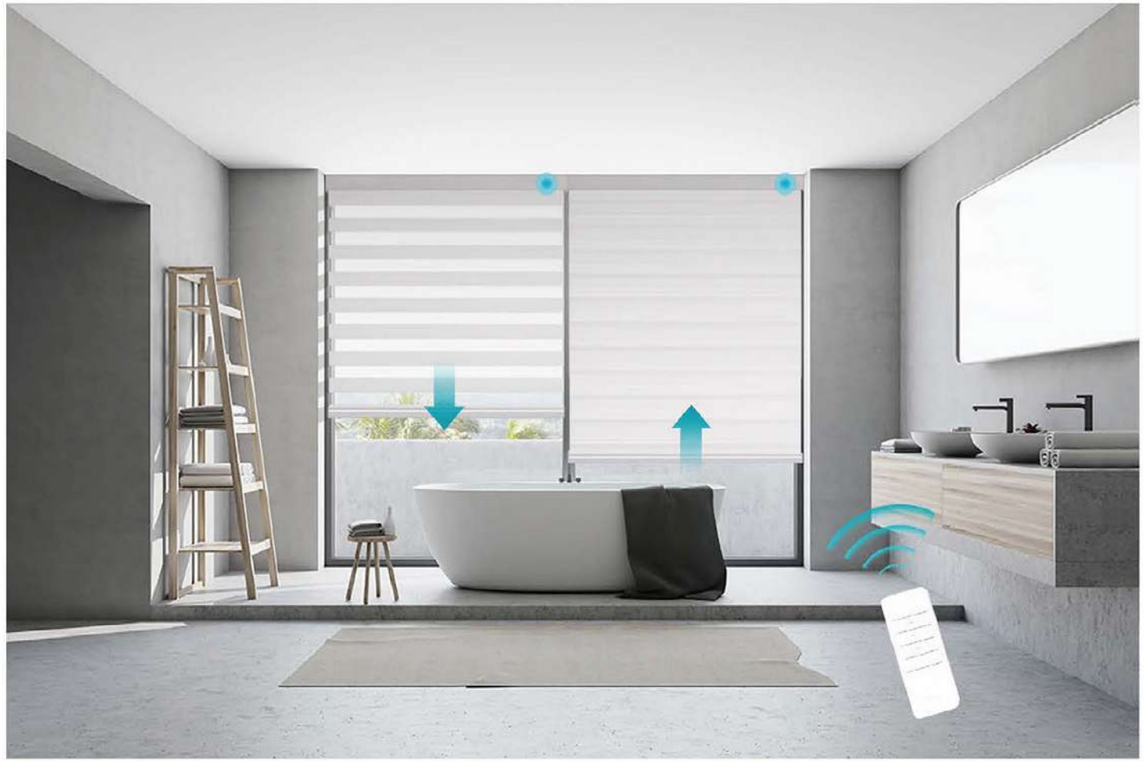
The soft yarn gives you a luxurious feeling and pleasant light. Just by gently adjusting the laminas, you can meet your different demands. You can block out all the light, adjust partial sunshine, or enjoy the outdoor scenery.

CORDLESS ZEBRA BLINDS

Children are curious about everything they can grab. This can lead to accidental swallowing by small children and the risk of choking. Cordless curtains can prevent injuries to children due to curtains

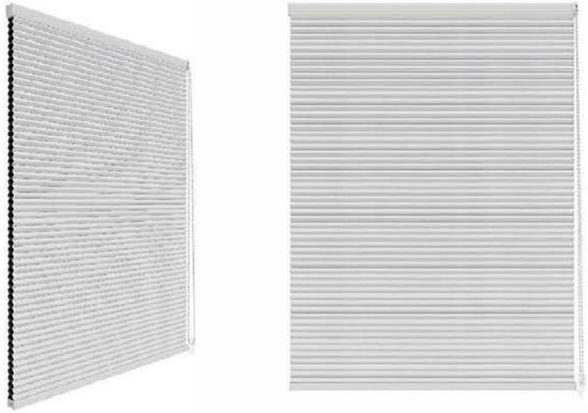
MOTORIZED ZEBRA BLINDS

Effectively controlling light and maintaining a comfortable temperature is a key part of setting a relaxed, welcoming atmosphere in every room.Choosing the right selection of window coverings, combined with nuanced artificial lighting and insulation will instantly begin to transform a house into a home.



CORDED CHAIN HONEYCOMB BLINDS

Featuring a wide range of textures, stylish colors and intricate prints, these high-performance fabrics offer excellent thermal insulation for optimal thermal and acoustic comfort.



CORDLESS HONEYCOMB BLINDS

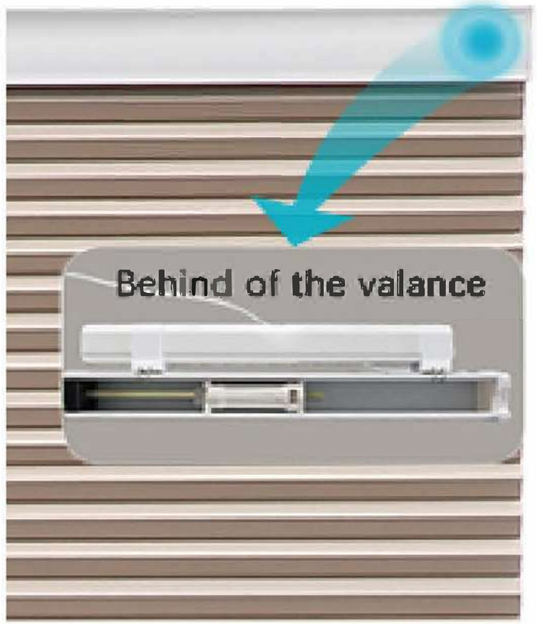
This company is focused on healthy living and life safety for children. With the cordless design, children's safety can be protected. At the same time, honeycomb blinds are anti-UV and heat-insulated and can effectively protect household products. They can be washed easily after destaticization.

TDBU HONEYCOMB BLINDS

It is a pleasure to have an elegant and exquisite life in your own space. With this visual enjoyment, you can find your spiritual home. A home with a warm and friendly design can not only give you psychological comfort and realize your dreams but also meet your physiological demands and make you feel comfortable. Looking around, everything at home is carefully arranged by yourself and any corner is the best habitat.

HONEYCOMB BLINDS

The honeycomb blind, also called the cellular shade,The air is stored in the hollow layer, a constant temperature is maintained indoor, and it has the function of thermal insulation.

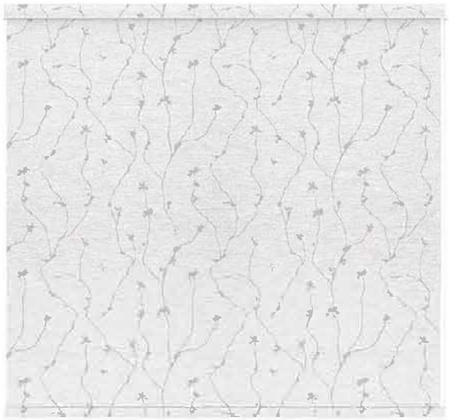


MOTORIZED HONEYCOMB BLINDS

Honeycomb blinds are multi-functional. Their isolating and heat reflecting qualities help save energy while the horizontal lines of the fabrics create a modern effect.

CORDED CHAIN ROLLER BLINDS

As the most widely used and classic window decoration in the sun shading industry, the roller blind is simple and convenient to operate and has a beautiful and simple appearance so that the window frame looks clean and the whole room looks spacious and simple. It is the best practice of minimalism.



CORDLESS ROLLER BLINDS

Classic window decoration products emerged in the 1990s. They have a simple appearance, complete colors, and a solid structure. They are easy to install and convenient to use.

LD-0730

MOTORIZED ROLLER BLINDS

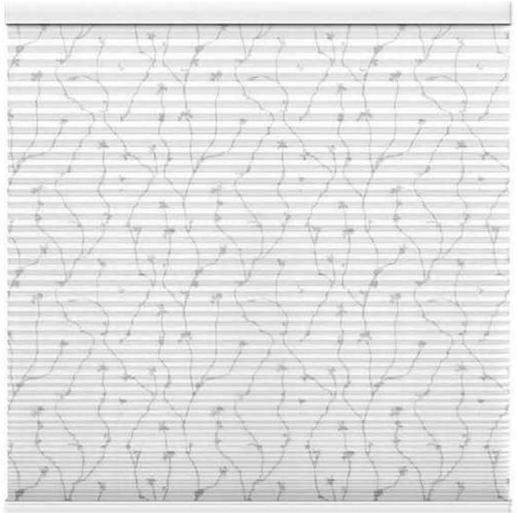
Roller blind is the most popular sunshade product in the world. Electric roller blind has integrated motor and USB-C rechargeable battery.

PAPER BLINDS

The design concept comes from the waves after the breeze blows over the sea.
The extraordinary charm is shown in a simple and quiet way.

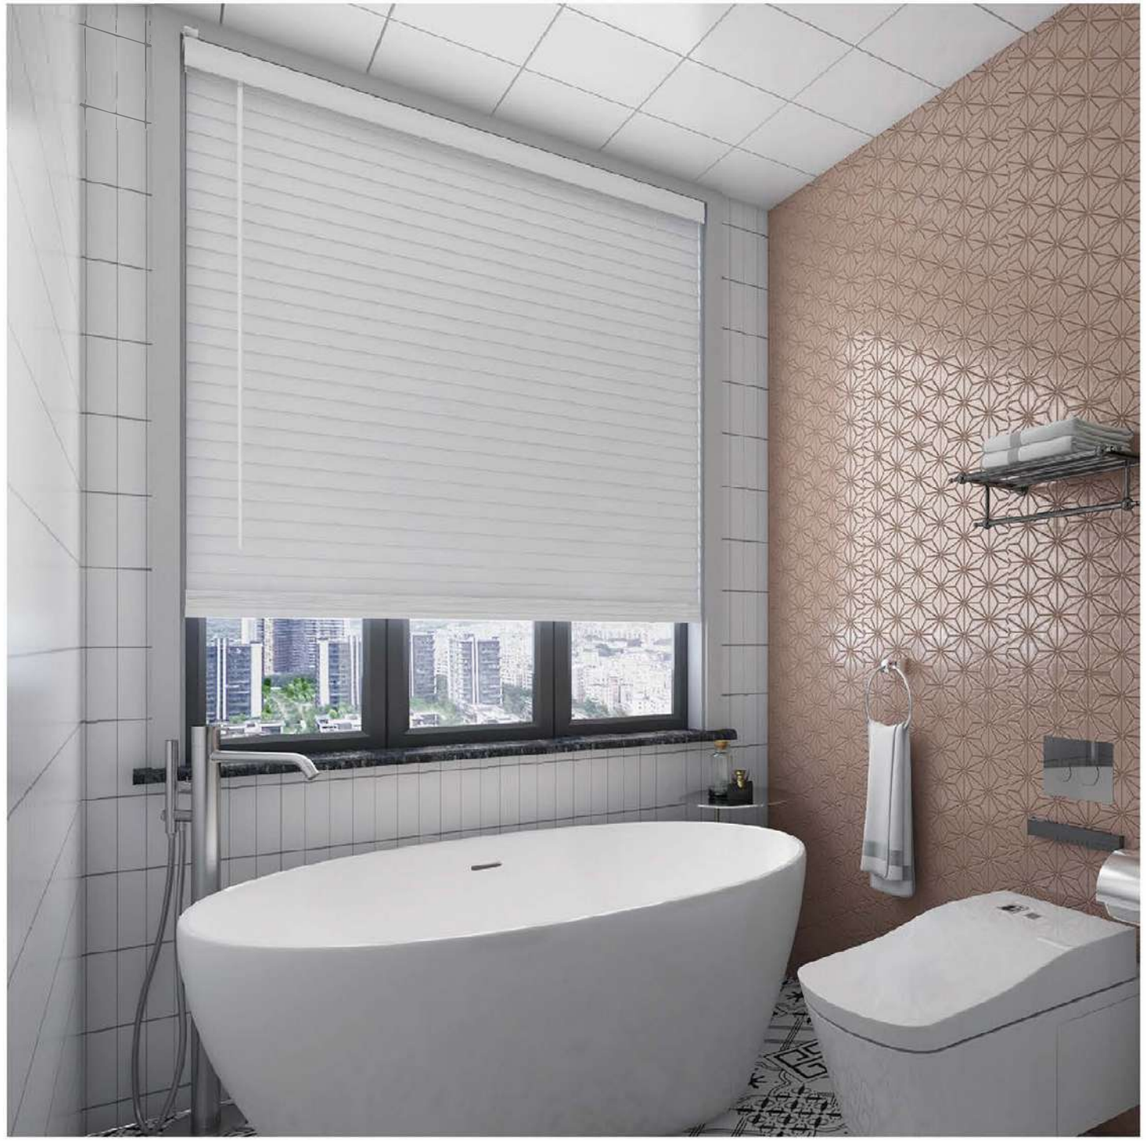
PLEATED BLINDS

The pleated blinds can be circular, semi-circular, octagonal, stepped, etc. They can be made into the skylight and inclined blinds or designed as a combination of two kinds of fabrics, i.e. the day and night blind. When using the day and night blind, you can adjust the light freely to meet your demands for light during the day and at night. The design is inspired by the waves after the breeze blows over the sea. The extraordinary charm is shown in a simple and quiet way.



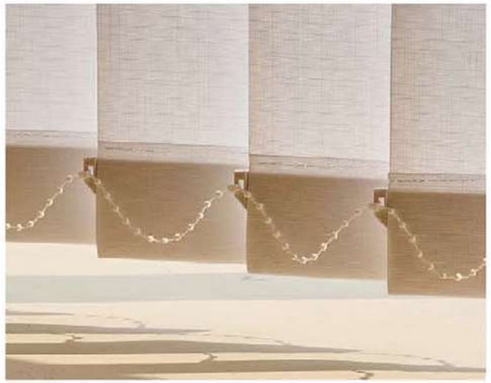
HORIZONTAL BLIND WITH TILT WAND

Elegant wood species with timeless colors that bring a natural feel to interiors and architectural aluminum with striking metallic colors for a subtle sheen. Shutters create inspiring spaces for people to live and work in.



VERTICAL BLINDS

Vertical blinds can be divided into cordless vertical blinds and Cord Pull vertical blinds.It can be moved to the left and right to open and close it or rotated. It is especially suitable for big windows.



SHANGRI-LA BLINDS

You can adjust the angle of the blind to control the light and privacy.
Beauty and light are integrated perfectly.

SHANGRI-LA BLINDS

Shangri-la blind is a new design integrating gauze blinds, shutter blinds, and roller blinds. Shangri-la blind is the best choice for preserving privacy and controlling light.
